

CIVILIAN LEADERSHIP DEVELOPMENT SCHOOL

DAF EXPERIENCED SUPERVISOR COURSE

(MAFHRMS420)

Do You Need to Complete Mandatory Supervisor Training?

This course fulfills a federally mandated requirement for all supervisors of civilian employees who have completed the New Supervisor Course.

ABOUT THE COURSE

The Experienced Supervisor Course (ESC) was developed to meet federal requirements contained in Title 5 of the Code of Federal Regulations and the National Defense Authorization Act of 2010. It satisfies the federal requirement for supervisory refresher training at least once every three years after completing the initial supervisory courses and is required for civilian supervisors with supervisory code 1, 2, and 4 as well as military supervisors of Department of the Air Force (DAF) federal civilian employees. The course covers topics mandated by the Department of Defense (DoD) Supervisory Learning and Evaluation Framework.

COURSE HIGHLIGHTS

This 13-hour course is self-paced and instructor-facilitated, taking place within designated course dates. Instructors monitor student participation and effort in the course through the Learning Management System (LMS). Students may be dis-enrolled after 60-days of inactivity and will lose all course progress and assignments for the 3-part Supervisory Refresher Assessment (SRA) that assesses supervisory knowledge and self-reported skills.

Note: Students who do not successfully complete all course requirements, prior to 2359 CST on the course end date, will need to re-enroll in a future class.

The major areas covered in the SRA are listed in the DoD Framework Outcomes to the right. Students who complete the three sections of the SRA with a 70% or higher on each section will have met ESC course completion requirements.
